

## **Senseney Music and Yamaha Donate Clavinova Digital Piano to Pretty Prairie High School in Wake of Band Room Vandalism**

Pretty Prairie, Kansas (April 26, 2019) Senseney Music of Wichita, Kansas and Yamaha Corporation of America, the world's largest musical instrument manufacturer came together today to donate a new Clavinova digital piano to Pretty Prairie High School.

The generous instrument donation, valued at \$6199.99 was made to replace the school's existing Clavinova, which was destroyed by vandals who broke into the band room this past weekend and caused significant damage.

Attending today's event held in the school's band room were School Superintendent Randy Hendrickson, Band Teacher Evan Koch, Senseney Music President Lori Supinie, along with many school students.

"Music Education is essential to learning, and it's nice to see our community rally in support of Pretty Prairie High School, particularly as students prepare for their end of year concerts," said Supinie. "This is why Senseney Music and Yamaha are both pleased and honored to make this Clavinova digital piano donation, to help restore the joy of music making at the school."

"We are very grateful for the generous donation and the continued positive relationship with Senseney Music," said Hendrickson. "It will benefit our students for years to come."
